

# Mid-Atlantic English Springer Spaniel Rescue

Mid-Atlantic English Springer Spaniel Rescue (MAESSR) is a non-profit volunteer organization devoted to the rescue and placement of stray, abandoned, relinquished or impounded purebred English Springer Spaniels. MAESSR provides foster

care and medical treatment to these Springers while screening potential homes interested in adopting. Our primary goals are to protect English Springer Spaniels, promote spay/neuter programs, and educate the public about the joys of English Springer Spaniels.

Our primary focus is on the mid-Atlantic region of the continental United States, including: New Jersey, Pennsylvania, Delaware, Maryland, Washington, D.C., Virginia, West Virginia and North Carolina.

## Why Do You Do It?

Why we do it is simple: we love the breed. We all own Springers and many of us have our own rescued Springers. We want to do our part to ensure that abandoned and surrendered Springers are united with new loving homes.

## I Want to Adopt: What's Next?

Our web site will guide you through the process and explain our fees. The first step is to complete our online application. A telephone interview follows our receipt of your application.

## How Can I Help?

As with any all-volunteer non-profit organization, there are two basic ways to help; Time & Money

## Time to Volunteer?

We welcome new volunteers who can help us in many ways:

- Go to shelters to evaluate or rescue Springers
- Help to transport them to foster or forever homes
- Foster dogs until they are adopted
- Interview applicants
- Assist with publicity or fundraising

## Donate to Support MAESSR

Donations to help defray the cost of vet bills, food, and care of foster dogs, are also appreciated.

Whatever it is you choose to do, rest assured that your efforts will contribute to the overall success of the organization.
