

Michael Kuhn

My name is Michael Kuhn. I live in Brigantine Beach NJ with my wife, youngest son, and two MAESSR girls, Bambi and Elsa (2010).

I found MAESSR through researching rescue groups after my Springer passed away from a rare genetic disorder with the intentions of doing some transports and fostering. Both Bambi and Elsa were fostered together, adopted together. So much for first attempts at fostering. I started to help at local events and attend the picnics and was very impressed with how well MASSER is assembled and run. I am in the electrical distribution business working with a large distributor serving the Mid Atlantic states. I am honored to be asked to join the board and I am looking forward to working with everyone.
