

## Misty Peale

Hi! I am Misty Peal from Charleston. Until this past year, my entire life was blessed by sharing a home with an English Springer Spaniel. From birth to college, several Springers dashed around the house- even a few litters of adorable puppies. My father's love of ESS began well before he met my mother. Springers are a tradition in our family. My two cats Lizzy the Russian blue and Birki the Manx, allow me to live with them and occasionally permit my boyfriend's Basset Hound, Herman, to visit. I am an attorney who worked way too much until a recent move to State employment. I know, I know...it is time for a Springer! I never shared a home with any other breed. Of course why would anyone not choose a Springer? They are absolutely perfect!

I became involved with MAESSR as a foster home and transport more than 10 years ago. Browsing the web, I noticed only a handful of MAESSR foster homes located in WV. I wanted to help! The MAESSR network has grown in West Virginia but even back then MAESSR always found a way to help every Springer. I have served as a MAESSR foster home, transporter, in-taker, and interviewer of potential homes.

MAESSR volunteers go to the ends of the Earth to provide whatever a dog needs. I felt humbled and honored to join MAESSR's Board of caring, selfless, and enthusiastic people. This amazing organization feels like family. I am proud to be part of an organization with such exemplary coordination, commitment, dedication and love. MAESSR people do whatever it takes to get a Springer safe, healthy, happy and the loving home they deserve.
